

Important: For an exact measurement we recommend to measure yourself without wearing any clothes. Have someone help you for an exact measurement.

1. Fill in the required information. For dresses with a size chart you only need the measures number 1-3. For customised dresses you have to fill in the measures stated at the corresponding dress.
2. For size chart dresses you can calculate your size with measures number 1-3 and place your order. For customised dresses you must fill in the required measures in centimetres under "remarks" during the check-out procedure.
